REGISTER

www.projectherema.org/summit

If participants are MAHPERD members they can receive PDPs.

Travel & substitute teacher stipends may be granted upon request.

Join us to learn about using Project Here's free resources to teach substance use prevention to middle school students.

All public middle school (grade 6-8) educators, administrators, staff, SROs, & prevention coalitions are welcome to attend. Limited seats available. Priority will be given to school personnel.
